Racking, Cantilever and Shelving Maintenance

As a member of SEMA and having SEIRS qualified installers, we are able to offer an equipment maintenance service for single or multiple sited companies. Our fitters over the years have worked in both retail and commercial sites.

We can repair or replace Racking, Cantilever, Long span and Gondola shelving on a one-off basis or to a formal programme.

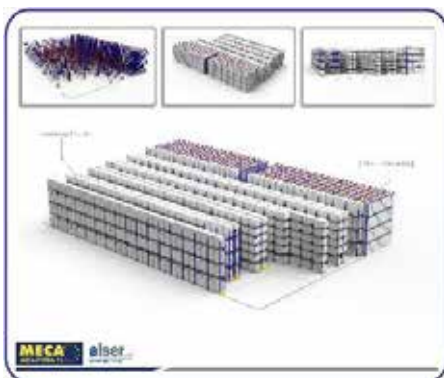

We have over 20 years of experience in maintaining equipment for a large national retailer. We provide nationwide cover, maintaining their sites, following a planned schedule. We also provide emergency call-out coverage when required.

Shop Fitting

We have installed display areas with large retail stores as well a wide range of different outlets as listed below.

- Bathroom and kitchen outlets.
- DIY stores display area's
- Health food shops
